

ALL UNIKO VINYL PLANKING IS WARRANTED AGAINST MANUFACTURING DEFECTS

The vinyl planking should provide satisfactory wear, and be free from manufacturing defects for the years as stated below

10 Year Warranty: Residential

5 Year Warranty: Commercial

Definition of Wear Out

“Wear out” refers to the complete loss of colour pattern caused by normal traffic.

Replacement Terms

If an accepted claim occurs within the warranty period:

- 20% annual depreciation applies to Commercial installations.
- 10% annual depreciation applies to Residential installations.

Warranty applies to the original purchaser only and is non-transferable.

Additional Warranties

Installation Warranty

Covers defects directly resulting from Carpet Mill’s installation for 12 months following the date of installation.

Moisture Warranty

Covers moisture-related damage only when:

- Approved moisture barriers are used.
- Subfloor moisture tests meet NZ standards.

Summary

- Your floor is protected for 10 years (residential) or 5 years (commercial) against wearing out.
- We cover replacement (minus normal depreciation).
- Damage from misuse, water leaks, pets, sunlight, poor installation, or rubber materials is not covered.
- Fading or discoloration from direct or extended sunlight exposure is not covered. We recommend the use of blinds, curtains, or UV-filtering window films to reduce UV impact and prolong the appearance of your flooring.
- Keep your floor clean and follow the care guide to stay protected.
